

PUBLIC WORKS NOTICE

EFFECTIVE OCTOBER 1ST 2010

REQUIREMENTS TO COLLECT NAICS CODE

On September 1, 2009, the Board of County Commissioners adopted Ordinance No. 09-77, which established Section 2-1.1 of the Code of Miami Dade County, Florida requiring the collection of North American Industry Classification System (NAICS) Codes by the County when classifying businesses.

Effective October 1, 2010, The Public Works Department is required to request the NAICS Codes from business whenever information is collected for Contracts, permits, licenses, taxes, enforcement actions, and other purposes where business information is collected.

The NAICS system is an industry classification system used by certain government entities and businesses for collection, tabulation, presentation, and analysis of statistical data describing the U.S. Economy.

All businesses are required to submit their NAICS code when submitting a Public Works Application in the appropriate field on the application.
